Summary

Enthusiastic MCA student with strong skills in Python, Django, and full-stack development. Experienced in building web applications, games, and academic projects with a focus on clean code and problem-solving. Quick learner with leadership experience and a passion for web and cloud technologies.

Education

Dr. Ambedkar Institute of Technology

Master of Computer Application (CGPA: 8.7)

2024 – 2026

Bengaluru, Karnataka

Karnataka University

Bachelor of Computer Application (CGPA: 8.5)

2021 – 2024

Dharwad, Karnataka

Morarji Desai PU Science College

Pre-University in Science (92.16%)

2019 – 2021

Savanur, Karnataka

Experience

Haegl Technologies Pvt. Ltd.

Full Stack Developer Intern

Apr 2024 – Jul 2024

Dharwad, Karnataka

- Built frontend components, integrated REST APIs, and contributed to improving overall system functionality.
- Worked with Python, Django, HTML, CSS, MySQL, and Git to implement production-level features.

Projects

Music Streaming Service | Python, Django, MySQL

July 2024

- Developed a full-stack music platform allowing users to browse, stream audio, and manage playlists.
- Implemented an intuitive UI with an in-browser audio player and optimized metadata storage in MySQL.

Leave Management System | Python, Django, SQLite, Bootstrap 5, HTML5/CSS3

Jan 2026

- **Live:** leave-management1.onrender.com | github.com/Basavaraj607/Leave_Management1 (34 commits)
- Designed and built a production-deployed, role-based web application from scratch supporting Employee, Manager, and Admin roles – with leave application workflows, approval/rejection logic, balance tracking (Casual, Sick, Earned), and a team calendar view.
- Implemented Django's authentication system, OOP-driven model design, and agile iterative development – deploying to Render using a Profile and render.yaml for automated CI/CD-style deployment.

Technical Skills

Languages: Python, Java (Basics), C (Basics), JavaScript (Basics), HTML/CSS

Frameworks: Django, REST APIs, Pygame

Databases: MySQL, SQLite

Developer Tools: Git, VS Code, Jupyter Notebook

Leadership / Extracurricular

Karnataka Science College

Student Secretary

2021 – 2024

Dharwad, Karnataka

- Led organization of inter-college events with participation of 100+ students.
- Organized badminton and chess tournaments including registrations and scheduling.
- Managed a 30-member student committee and collaborated with faculty for successful event execution.

Karnataka University

University Chess Team Member

2023 – 2024

Dharwad, Karnataka

- State-level chess player – secured 2nd place twice in university-level tournaments.
